

An Easter Gift Your Child Will Never Forget!!!

BUTTERFLIES!!

Your child can watch his/her very own caterpillar change into a colorful, lively butterfly!! What could be a better way to bring them closer to the expectation and understanding of Easter?

The Painted Lady Caterpillars come with a life long supply of nutrient. They are self sufficient until the chrysalis stage — then you simply transfer them to the Butterfly box. When they become butterflies, they should be released in a few days.

(Life expectancy from that point is 2-3 weeks.)

You will receive a kit with complete instructions. It's easy!

We will release the butterflies on Easter Sunday!!!

(This is WAY FUN!!!)

Return the completed form with payment to the Butterfly Table or the staff mailbox on the office door by **March 20, 2019.**

Make checks payable to St. Andrew's UMC and earmark "Butterflies".

The Butterfly is a symbol of new life and of God's Love living in each of us!

The caterpillars will ship in March! You will need to pick up your caterpillar as soon as possible. They grow quickly!

Easter Butterfly Order.....Return to the Church by March 20

NAME: _____

PHONE: _____ EMAIL: _____

How Many caterpillars do you want to order # _____ @ \$5.00 each = _____
