

CALLING ALL CHURCH MEMBERS!

YOUR HELP IS NEEDED FOR THE CHURCH WIDE WORK DAY, SEPTEMBER 19TH

Your Trustees are having a church wide work day on September 19th. This work day will go from 8:00 am to 3:00 pm. We are going to focus on the following:

1. Painting of the soffit and fascia along the Archdale side of the church.
2. Grinding of stumps in the Columbarium and along the Archdale side of the classrooms.
3. Pruning of tree limbs next to the preschool playground at the neighbors driveway and the low tree limbs along the Archdale side of our property.
4. Cleaning of the FLC.
5. General window cleaning throughout the church.
6. Parking lot grass removal from the cracks.

We need as much help as possible from everyone to achieve our goal of the cleanup and beautification of the church. Please remember that this is your church home and it takes a village to help keep it beautiful.

We are also expecting a lot of help from some of our outside groups and our youth. We have contacted the AA groups that use our church for their meetings and they are sending a number of persons from all three of their groups to help us paint the soffit and fascia. Kevin Ward is going to have the youth there to help with limb hauling and general grounds clean-up as well.

Things that we need folks to bring are:

1. Ladders (both extension and step ladders).
2. Backpack blowers to clear the debris and scraped grass from parking lots.
3. Paint brushes.
4. Shop vacuums for cleaning of the dust and dirt in the FLC on the stage curtains, the tops of the upper surfaces and general FLC clean up.
5. General cleaning stuff including rags, windex, etc... (We do have plenty of paper towels thanks to Ginny Grisdale).
6. Rakes and flat edge shovels to scrap up grass.

Please consider coming out and helping with the aforementioned work items. Many hands make short work of a lot of tasks. We really need everyone that can come out and help, regardless of your age. We have tasks that anyone can do to help spiff up our church property. Even if you can only give us an hour or two, that will help.

Looking forward to seeing all of you at the September 19th church wide work day.

Kenn Bullock – Chair of the Trustees
