

Weekly CHATTER

JANUARY 9, 2022

Worship Service in the Sanctuary.

THREE KING'S DAY CELEBRATION (DID DE LOS REYES). On Sunday, January 9th, we will be celebrating Three Kings Day. There will be Atole (a warm drink flavored with cinnamon, oats, and raisins) Champurrado (hot chocolate), and the traditional "Rosca de Reyes" (Crown of the Kings, a specially decorated bread in the shape of a crown in which a small baby Jesus figure is baked. The person who gets the baby in their slice will be specially blessed this year). We hope that you will make plans to join us for this wonderful occasion promoted by our Cross-Cultural Ministry at 1:00 p.m. in the Family Life Center.

TO OUR CHURCH FAMILY,

Moving is never easy. However after almost 40 years at St. Andrew's it was a very emotional time to move away. You, our "church family" have supported us with your prayers,

your love and delicious food during many major events of our life. When Clancy died you came with food, prayers and loads of love. When Jimmie had his heart attack, you were there for us. After each of my surgeries, once again you fed

and prayed for us. We have been blessed to know and love each of you. St. Andrew's will always be our home church. We have moved to Greensboro and will be living at White Stone (The Masonic and Eastern Star community). We looked at so many places and this one was the best match for us. Brian and Anthony visited with us and felt that this was the best place for us. We moved December 15th and still have boxes to unpack. We have a lovely 2 bedroom, 2 bath apartment with a kitchen and living room. We have so many wonderful memories of St. Andrew's, from Brian and Anthony being in Scouts and the Pine Wood Derby, to Rainbow Express where we built the side of an Ark in the old Fellowship Hall. What a fun time that was for the children and adults. Being a part of the St. Andrew's Players was a highlight of my time. Liturgical Dance was very special to me. We both enjoyed serving on the Administrative Council, Jimmie served as Trustee's Chairman and Kitchen Committee chairman. Of course the best part for me was the 13 years I worked for the church. Being Director of Servant Ministries was an amazing 10 years, then being the Church Administrative Assistant, I learned so much

about the workings of the church. So this is not goodbye..... this is we will see you again. We love you and will continue to pray for you.

Blessings,
Norma & Jimmie Dowless

UMCOR TORNADO RELIEF. Please help those devastated by the recent tornadoes that swept across several states. Gifts may be made to the church with a designation or directly to UMCOR online at umcmmission.org. Thank you.

TEKOA LABOR DAY. It is time to start gearing up for our annual church-wide Tekoa Labor Day Family Retreat. If you are interested in serving on the planning team to make this weekend happen, please contact Kevin Ward. There will be two committees: the Logistics Team will help with registration, housing assignments, logistics during the weekend, etc. and the Planning Team will focus on planning the discipleship side of the retreat (devotions, campfires, worship, etc.). Please contact Kevin Ward for more details at kjw2517@gmail.com, 704-650-9725, or call the church office.
