April 2021

The Pandemic has been hard on all of us. It is with great excitement that we, the Trustees, announce that our church is now available for use by our members for meetings, celebrations, and gatherings. While we are slowly opening the church to normal use, we will require stringent standards for gathering sizes and sanitation of the spaces use for those who wish to use the church spaces.

The following is our key criteria for use:

1. People wishing to use the church for special events, gatherings, etc. will be required to adhere to the NC Governor's current requirements for gathering, the CDC and St. Andrew's criteria for distancing, group sizes, and protection against the COVID-19 virus. This includes a formal contract for each use that identifies the steps necessary to deal with the virus and the people entering and using the church proper
2. There currently is a special COVID Sanitation Fee set for those that are requesting the use of the church. This cost depends on the spaces used and can range from \$50 to \$150. (This will be in force until the end of the Pandemic)
3. There is now a Utility Fee that is being charged for all space-use requests. This cost is based upon the time duration and size and/or quantity of facility that are requested.
4. Those using the church spaces will be required to provide sanitation wipe downs of all used spaces including the wiping down of all tables, chairs, door handles, light switches, etc. upon entering and leaving the space at the end of the use time per night. (This will be in force until the end of the Pandemic.

We are excited about the year to come at St. Andrew's UMC, and we welcome you to use your church facilities.

Kenn Bullock, Chair of the Trustees

Nicole Campbell, Vice Chair of the Trustees
