

WORSHIP UPDATE

This Sunday, June 9th, come to the table. We'll celebrate Holy Communion during worship and we'll explore the story of Jesus' feeding of the 5000 through the Gospel of John. Five loaves of fish and two loaves of bread can go a long way in the right hands! So, what might you bring to the table? And how might you share what you've been given. **We'll begin the day with intercessory prayer time at 9:15 a.m., and follow worship with small groups at 11:11 a.m., See you here!**

BIRTHDAY KIT UPDATE.

Way to go St. Andrew's UMC! With your gifts we packed over 40 birthday kits to deliver to Nourish Up! And a special thanks to the children's Sunday School class for their help in putting them together!

A Sneaker Recycling Organization

Please bring your worn out, outgrown sneakers and give them a new life and help the church at the same time.

GOT SNEAKERS is an organization that collects used sneakers, recycles them, and keeps them out of the landfill. They collect gently used and totally decrepit shoes. **PLEASE note this is athletic shoes only, primarily sneakers, but they will take worn hiking shoes as well. This is for sneakers for all ages, children, youth, and adults.** This is a win for the environment and helps us to be better stewards of what God has given us. Please bring your donations to the green bins in the Narthex across from the Sanctuary. I would like to send our first bag by August 31st.

REPORT FROM FINANCE COMMITTEE

We have had several major repairs this year and the potential for a major repair or replacement of the air conditioning unit for the Fellowship Hall. Total major repairs to date are Boiler Tube Replacement, \$9,500 and Sewer Line Repair, \$27,200. The potential costs for the Fellowship Hall Air Conditioning Unit are \$4,500 for repair or \$23,000 to replace. If you can, donations above your regular giving would be appreciated. Please mark these extra gifts for Major Repairs. These gifts will be matched from the Southerland Legacy Gift allocated for major repairs. Any additional amount you can give will help. Thank you for your continued support to the ministry at St. Andrews. An addition to the Graph has been made to add the Average Weekly Giving Year-to-Date (Avg YTD). This shows what our average weekly giving has been through the current week. The Average Needed each week is \$7,900 per week. As you can see from the chart, we are currently running behind this rate on average giving by week for the year to date. Your gifts are appreciated and needed to reach our weekly target.
